## Heart Beat Matters

### WHAT IS BALLOT INITIATIVE 14?

It's a constitutional initiative which amends our State Constitution to PERMANENTLY enshrine abortion as a “right”.

### WHAT WILL THIS INITIATIVE DO IF PASSED?

#### Wide Scope

No guardrails at all for abortion, including partial birth abortion; precludes the State from being able to enforce valid health and safety regulations as it prohibits the State from taking an “adverse action” based on pregnancy outcomes. By not defining “adverse action,” this sentence injects significant uncertainty into many aspects of standard medical care.

#### Eliminates “Informed Consent” Standards

Shields Medical Providers from malpractice as it immunizes a particular class of medical providers from any penalty, prosecution, or adverse action, so long as the provider obtains voluntary consent. This seemingly precludes ordinary functions of the State’s medical licensing boards. MCA § 37-3-323. It also raises questions whether state courts could continue to be a venue for medical malpractice lawsuits for issues other than the existence of consent (medical malpractice cases involve a violation of a standard of care and informed consent might be part of that standard of care).

#### Remove Parents

Parents will not be a part of their minor child’s decision to abort

#### Pro-Life Laws

Bills to protect life will be struck down as “unconstitutional”

#### Increase Sex Trafficking

Will make Montana a safe haven for violent offenders and sex traffickers

#### Hide More Predators

Will allow Planned Parenthood to hide cases of statutory rape

**If you do not want to see Initiative 14 passed, please attend the Leadership Institute training (in person or via zoom) on Saturday, April 6, 11:30 AM-2:30 PM at Mountain Family Fellowship, 6145 North Montana Ave.**

This training is designed to provide useful information and guidance regarding defeating this Initiative.

The requirements to get an initiated constitutional amendment certified for the 2024 ballot:

**Signatures:** 60,359 valid signatures  
**Deadline:** The deadline to submit signatures to county clerks is 06/21/24. The final deadline for county clerks to submit signatures to the secretary of state is 07/19/24.

**The Mission of ProLife Montana** is to uphold the value of all life from the moment of conception to natural death, while equipping individuals to be effective advocates for a culture of life. Through our loving words and actions, we will stand for Truth and the right to life for the most vulnerable human beings in our society.

Advocating for the most vulnerable in our communities is an opportunity for each of us to make a difference that not only impacts the lives of others but enriches our own.

Please consider supporting ProLife Montana with your gifts of time, expertise and or financial giving!

## The Month of March is “DISABILITY AWARENESS MONTH”

which, in part, is a proclamation calling for us to “...to help persons with disabilities to lead productive and fulfilling lives.” Yet society, in general, finds it easier to dispose of the disabled rather than honor that concept especially when it comes to our most vulnerable population, preborn babies.

Genetic testing is leading to more and more eugenic abortions for smaller and less important disabilities such as deafness or cleft palate. In fact, in some countries babies are aborted simply because they are “female”.

A child with a disability is still a child and God has plans for each and every life conceived. God tells us in Jeremiah 1:5, “*Before I formed you in the womb I knew you; before you came to birth I consecrated you.*”

Let’s promote the sanctity of life in all of its forms during “Disability Awareness Month” with a special focus as it applies to those babies in the womb who man deems less than perfect, but God has “perfectly formed” in His wisdom.
