Gallatin Valley
Right to Life

Educating Minds ♥ Opening Hearts

Have you heard about Montana Ballot Initiative 14?

No? Well, you are not alone. It is a statewide initiative to amend the Montana Constitution that is currently being worked through the process to be on the ballot this November. "This constitutional amendment prohibits the government from denying or burdening the right to abortion before fetal viability." [MT Secretary of State website]

Does this concern you? It should! If passed, abortion would be a right in our Montana Constitution. Find out more about Initiative 14 at the next Gallatin Valley Right to Life meeting:

Monday, March 18th

6:30pm

Belgrade Christian Assembly 103 E. Cascade

Patrick Webb of the MT Family Foundation will make a presentation in the initiative's implications and potential impact. All are invited, welcome, and encouraged to attend and learn more!

See the back of this sheet with information about training being offered regarding Initiative 14, as well as other pro-life resources and activities.
